IVY MABANTO, R.L., M.L.I.S.
Head Librarian
Surigao State College of Technology
Surigao City, Philippines

Madam

Greetings of peace!

We would like to furnish your library of our latest university research journal: The Palawan Scientist, Vol. 12, July 2020 issue. This is an annual international peer-reviewed multi-disciplinary journal publish by WPU.

We believe that this material would be beneficial to the researchers in your institution.

May this be a start of continued linkage and of sharing relevant resources and substantive materials from our library to yours for the benefit of our beloved clientele.

Thank you and God bless us all.

Very truly yours,

ARNEIL S. ENARIO
University Librarian

BSU grads excel in licensure exams

Two graduates of Benguet State University (BSU), Dindo B. Aagsalag and Bernalyn M. Alos ranked third and fourth, respectively in the Agricultural and Biosystems Engineering licensure examination held on August 22-23, 2018. BSU achieved a passing rate of 66.67% which is higher than the national passing rate of 56.66%.

"These graduates are like silent water but they run deep. They perhaps are shy or quiet but they excel in unexpected ways," stressed Fidiha Carlos, Dean of the College of Engineering and Applied Technology.

Alos stated that pursuing the degree program paved the way for her to have new experiences, knowledge and challenges which drove her to do better. On the other hand, Aagsalag admits that he finds it hard to stop until he finishes a task and as a top achiever, he hopes for the same.

"I hope not only students of Engineering and Agriculture technology will be inspired by these achievers to study harder, explore beyond limits, read many references and feed on learnings. That way, they can understand concepts and ideas better to help them pass the board exams and be on the top," said Carlos.

Meanwhile, there are 31 graduates who are officially Doctors of Veterinary Medicine after passing the Veterinary Medicine Licensure

BSU Vice President for Research and Extension, Dr. Carlito P. Laurean shares University Mechanisms to strengthen R&E programs. @JSTahangerra

100+ programs, projects, studies presented at BSU in-house review despite challenges to R&E sector

More than 100 programs, projects and studies were presented in the three-day Annual In-House Review (AIHR) of the University. The AIHR, which accommodated not only the completed studies but the on-going and proposals as well, was held at the Northern Philippines Root Crops Research and Training Center (NPRCRTC) on August 8-10, 2018.

During the opening program on August 8, BSU Vice President for Research and Extension, Dr. Carlito P. Laurean shared how policy implementation has posed challenges to the R&E sector including disallowances.

"We considered the challenges as a chance for us to improve the steps and procedures in the university, because of the challenge of getting appropriate honoraria being provided by our funding agency."

BSU and PCAARRD launch books on research results

Four books on organic vegetable production were launched on August 8, 2018 during the opening program of the BSU Agency In-House Review. The set contains some of the major outputs of the PCAARRD-funded National R&D Program on Organic Vegetables. These results of the component projects are on

microbial and pest management products and systems which were transformed into an easy-to-read information material. The books, *Organic Production of Cabbage in the Highlands*, *Organic Production of Carrot in the Highlands*, *Organic Production of Garden Pea in the Highlands* and *Organic Production of Potato in*

Madam:

Cordial Greetings!

This has reference to our letter dated July 27, 2017 re request for the granting of STARBOOKS accessibility to all campuses of SSCT.(attached herewith is the letter for your reference.)

In view hereof, we would like to make a follow-up on our request.

Obtaining such programs would be very beneficial to all our students and faculty as well.

Thank you and looking forward to a positive response to this request.

Very truly yours,

IVY B. MABANTO, RL, MLIS
Head Librarian

March 26, 2014

Ms. LORENA C. BADIOLA
College Librarian III
This College

Madam:

Greetings of Peace!

True to its vision and mission, the library provides access and promotes the discovery and use of local and external information resources. Moreover, it ensures the preservation and long-lasting availability of library collections and resources.

Our College library has inadequate number of books for Information Technology (IT) subjects. Thus, the former officers of Information Technology Division batch 2012-2013 purchased 27 pieces of computer books intended to be used for their fellow students from the proceeds of their remaining funds.

For this reason, majority of the officers voted and agreed during their meeting last March 13, 2014, to donate all computer books to the SSCT Main Library to have proper custody of these aforementioned books. Attached herewith is the list of books.

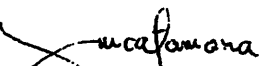

We hope that this merits your approval.

Very truly yours,

The Officers

GREGORIO Z. GAMBOA, e.D.
President, Surigao State College of Technology
Magallanes Street, Surigao City, 8400 Surigao del Norte

Dear *Dr. Gamboa*:

As part of our advocacy to amplify the genuine change that are happening in the lives of our partner-beneficiaries through the intervention of the Pantawid Pamilyang Pilipino Program, DSWD Field Office Caraga is happy to share with you a copy of *Larawan* Volume 2.0.

Larawan is the official compendium of Pantawid Pamilyang Pilipino Program that features the success stories in the lives of our partner-beneficiaries.

In your readings, you will see how the program has truly transformed the lives of our partner-beneficiaries from the survival level of well-being, and now at the self-sufficiency. This compendium truly translates how effective is the implementation of the conditional cash transfer (CCT) program in the Region.

As we share with you five (5) pieces of this compendium, may we request that these materials will be displayed in your libraries so it will serve as study reference should they wanted to study on how the levels of well-being Pantawid Pamilya partner-beneficiaries have moved from survival to subsistence, and subsistence to self-sufficiency, and the impact of the program to their lives.

We hope to receive feedback from you. Should you want us to forward the soft copy of this compendium, kindly coordinate with **Mr. Ryan Malbas Tapayan**, Information Officer for Pantawid Pamilya through his service mobile number, **0948-406-8285**.

Thank you.

Very truly yours,

MINDA B. BRIGOLI, CESO III
Regional Director

ECCLESIASTES T. DUMANIG, DM
OIC President

Thru: **LORENA C. BADIOLA**
Librarian III

Sir:

Warm Greetings!

I write to formally express my intention to donate two copies of my book entitled **Sinurigao: Pormada, Plastada, Tunada, Pasabot** with NLP copyright number: A2014-867 and ISBN: 97862195099-0-9 in your college library.

This book is written in Sinurigao, it delves the linguistics aspect of the language, and research-based learning manual. This can be used in linguistics, language and education curriculum specially in your Bachelor of Elementary Education. Your research department may use this as one of the references in linguistics study for Philippine languages.

Learning Mother Tongue Language or MTB-MLE is not only for elementary but for secondary, tertiary, graduate studies and the community as a whole. The international researchers in linguistics, language and education are doing their best to develop the vital aspects in the said areas to better understand the languages used in the community and classrooms, and to introduce appropriate and intellectual way of facilitating the learning of students.

Thus, I hope to help in Linguistics, Language and Education in our city, province, and nation as a whole.

Very respectfully yours,

FRANCIS TOM A. PAREDES
Author, Sinurigao Linguistics Manual
