

**MANDATE**

The Surigao State College of Technology (SSCT), a chartered state institution, shall primarily provide higher vocational, professional and technological instruction and training in the fields of agriculture, fisheries, engineering, and sciences, as well as short-term technical courses. It shall also provide primary consideration to the integration of research/studies for the development of the Province of Surigao del Norte.

**VISION**

An innovative, technologically-advanced State College in Caraga.

**MISSION**

To provide relevant, high quality and sustainable instruction, research, production and extension programs and services within a culture of credible and responsive institutional governance.

**QUALITY POLICY**

Surigao State College of Technology provides quality instruction, research, extension, and production services to satisfy its customers by responding to their needs and expectations and continually improving its quality management system.
